Loyalty

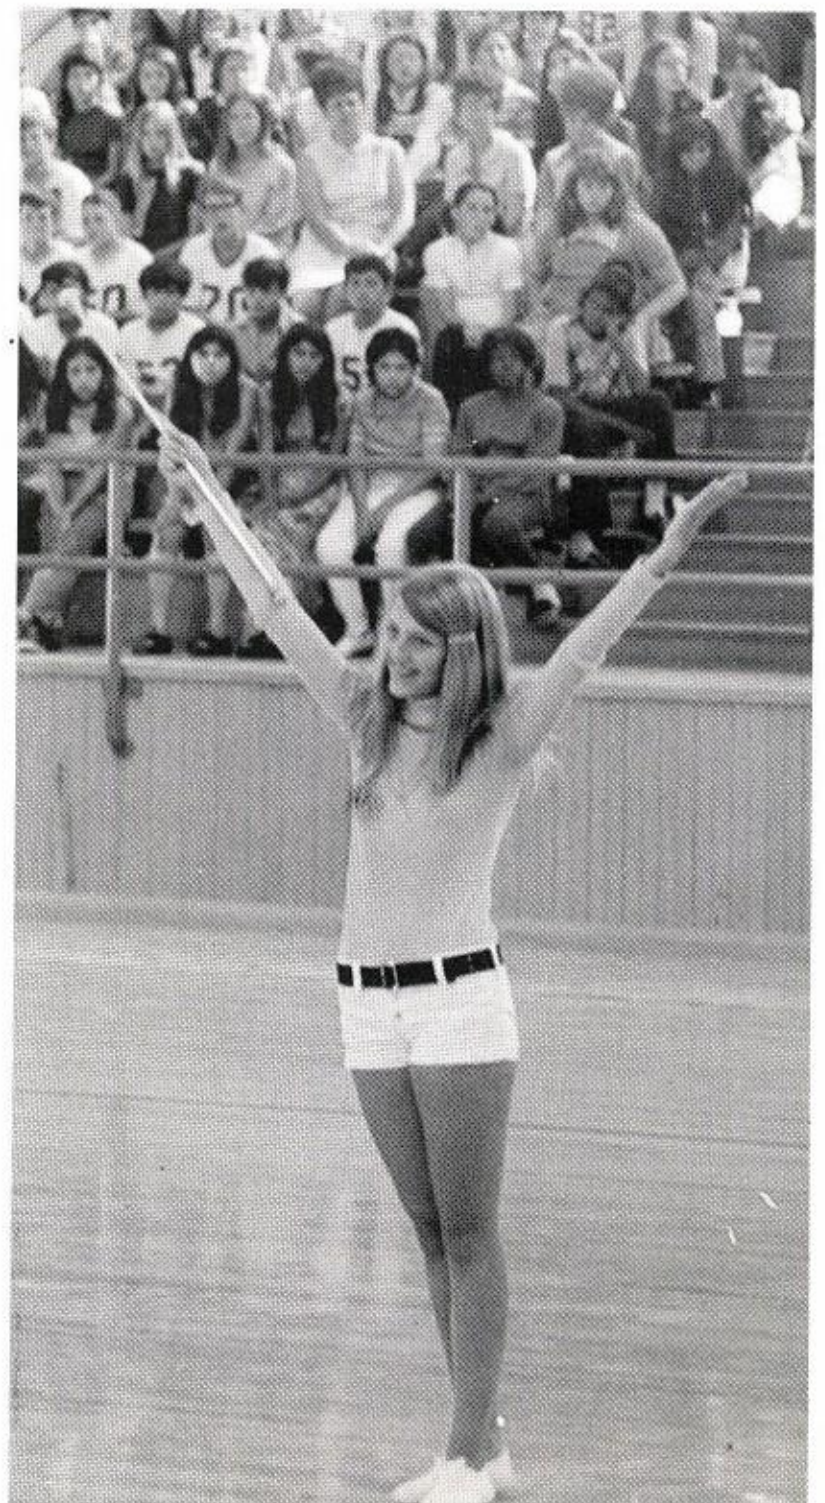

We're loyal to you New Deal High,
We'll ever be true New Deal High,
We'll back you to stand against the
Best in the land for we know you have
Said New Deal High

So Win in the fight New Dela High,
And show them your might New Deal High,
Our team is a Fame protector, on boys
For we expect a victory from New Deal High.

"You may
strive to be
like them,
but seek not
to make
them like
you."

"For life goes not
backward nor
tarries with
Yesterday."

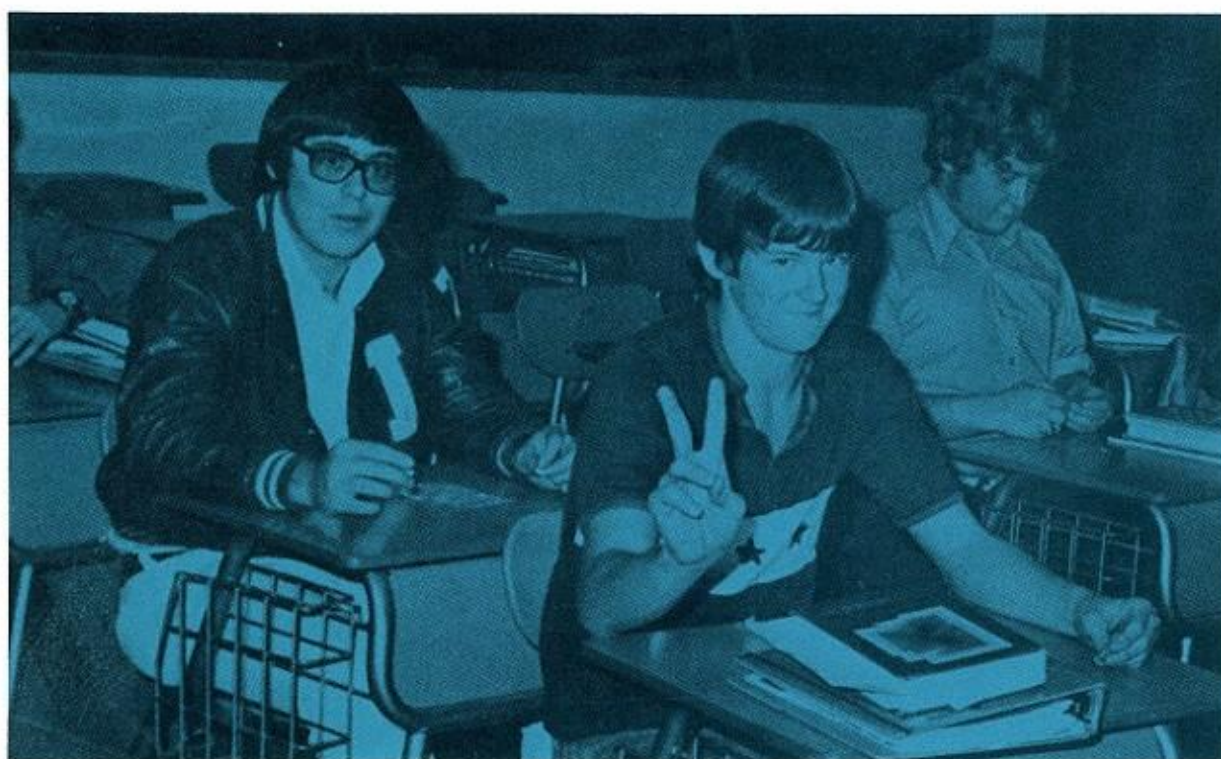

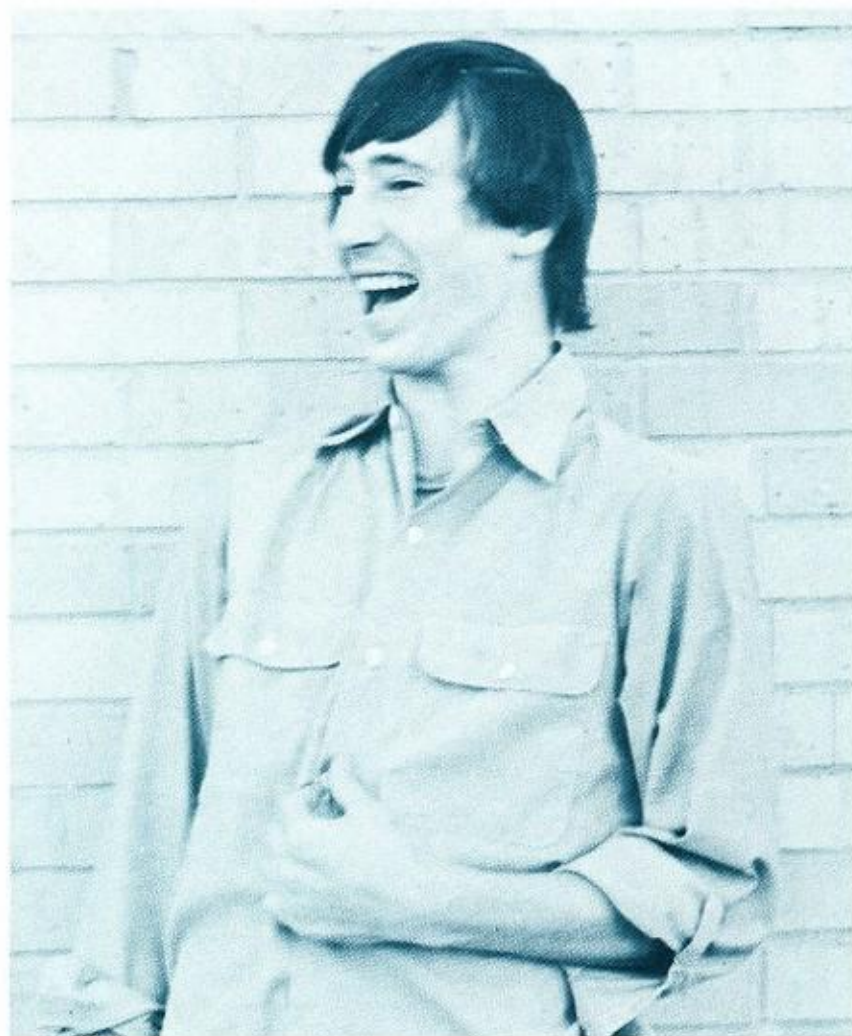

"A seeker of
silences
am I, and
what treasure
have I found
in silences
that I
may dispense
with
confidence?"

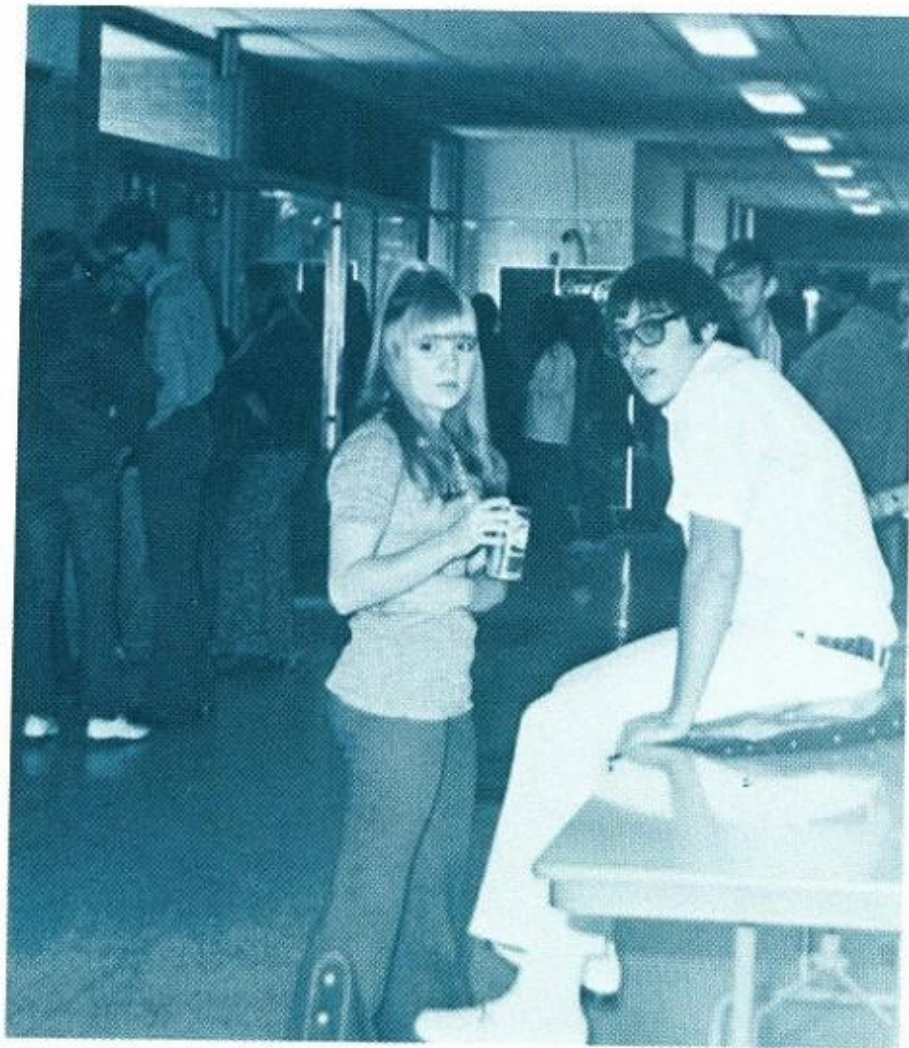

"If this
indeed be
the hour in
which I
lift up my
lantern, it
is not my
flame that
shall burn
therein."

"To look fearlessly
upon life; to
accept the laws of
nature, not with
meek resignation,
but as her sons
who dare to search
and question; to
have peace and
confidence within our
souls - these are the
believers that make for

HAPPINESS" - Maeterlince

"Some of you say,

'Joy is greater

than sorrow,"

and others say,

'Nay, sorrow is the

greater.'

But I say unto you,

they are

inseparable.

Together they come,

and when one sits

alone with

you at your

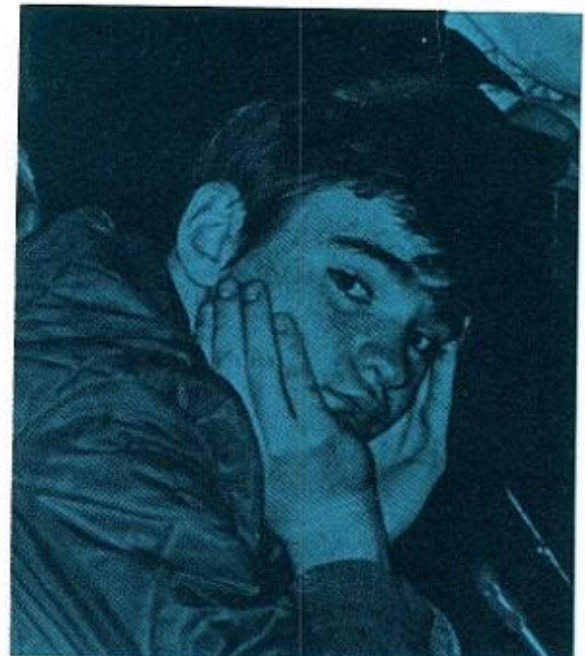

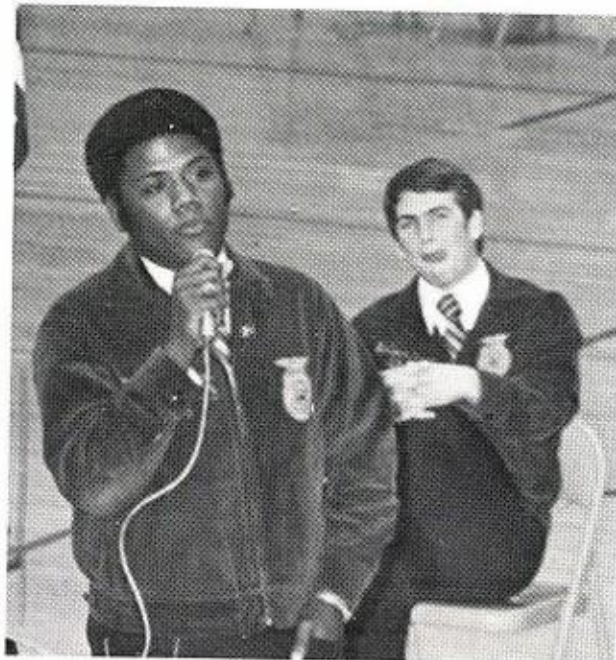

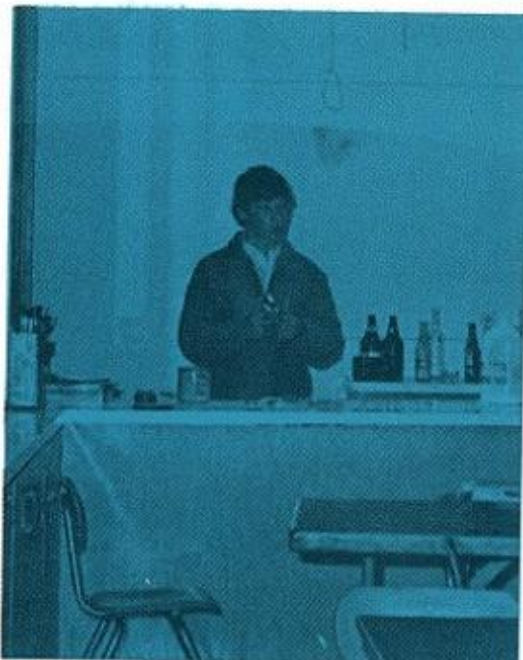

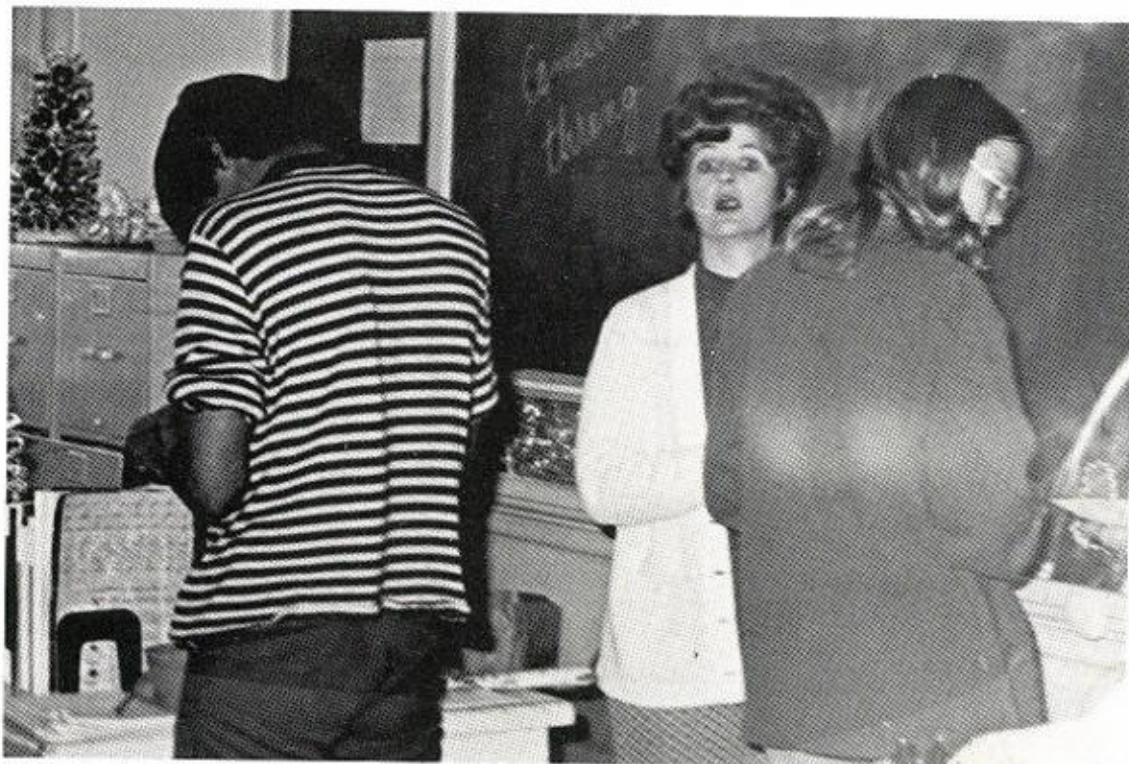

board, remember

that the other

is asleep

upon your

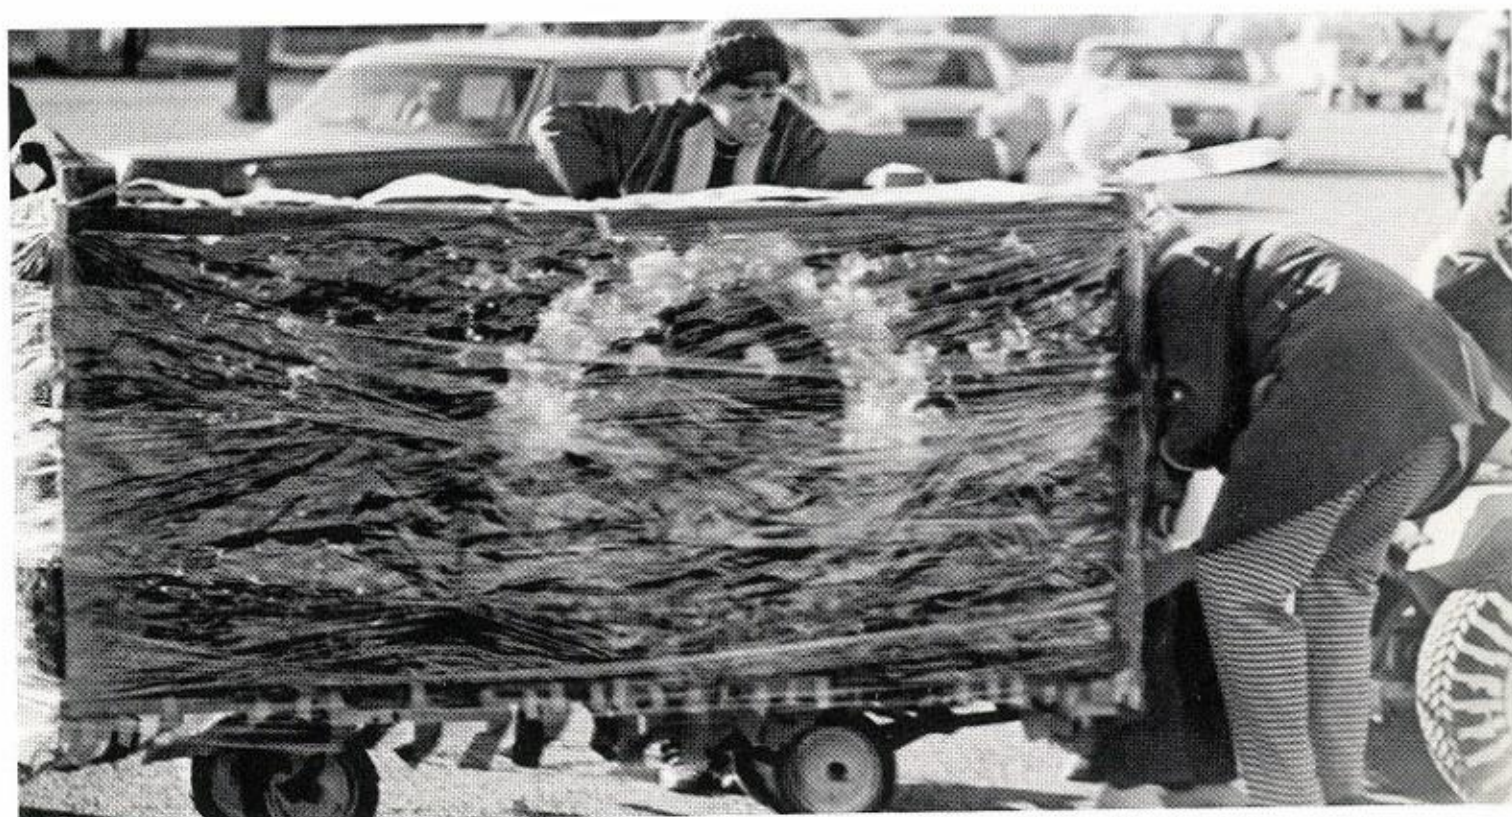

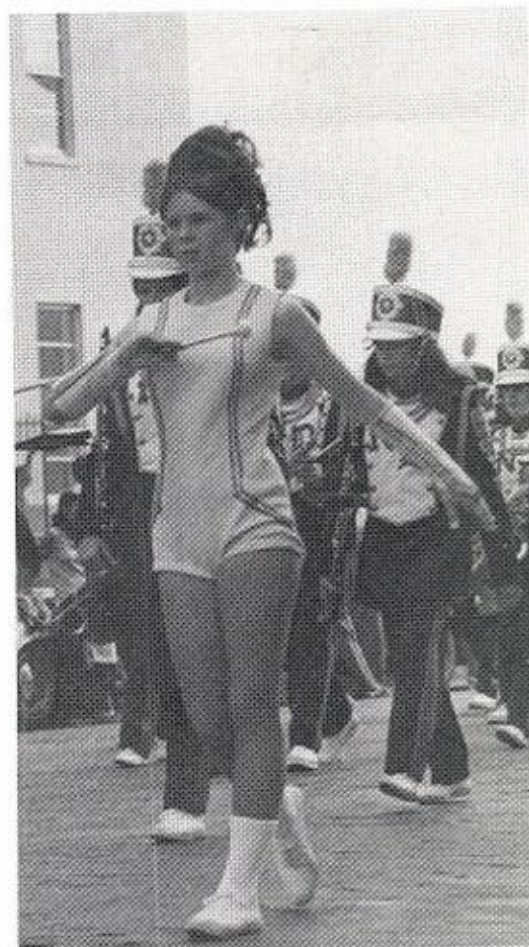

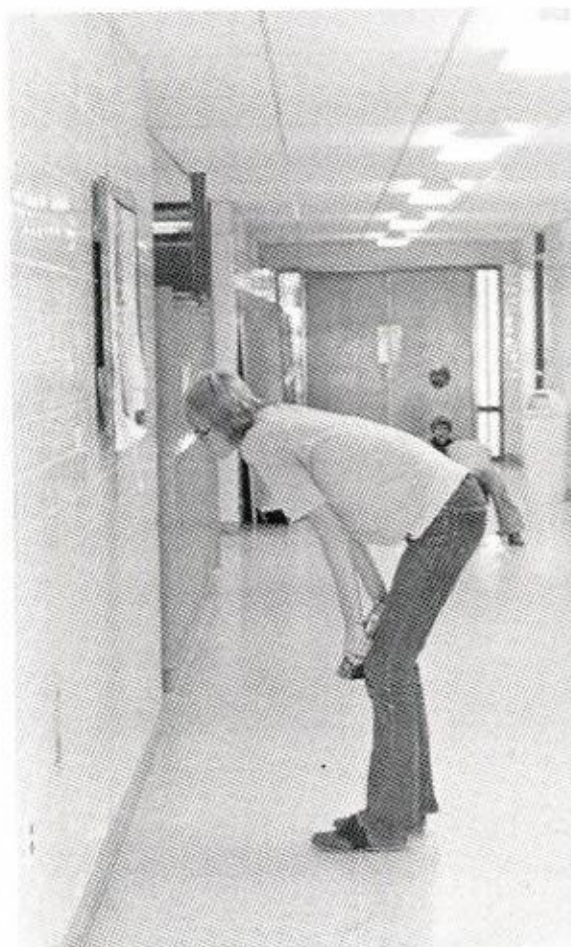

bed."

"You are good
when you are
with yourself.

You are good
when you
strive to give
of yourself.

You are good
when you walk
to your
goal firmly
and with
bold steps."

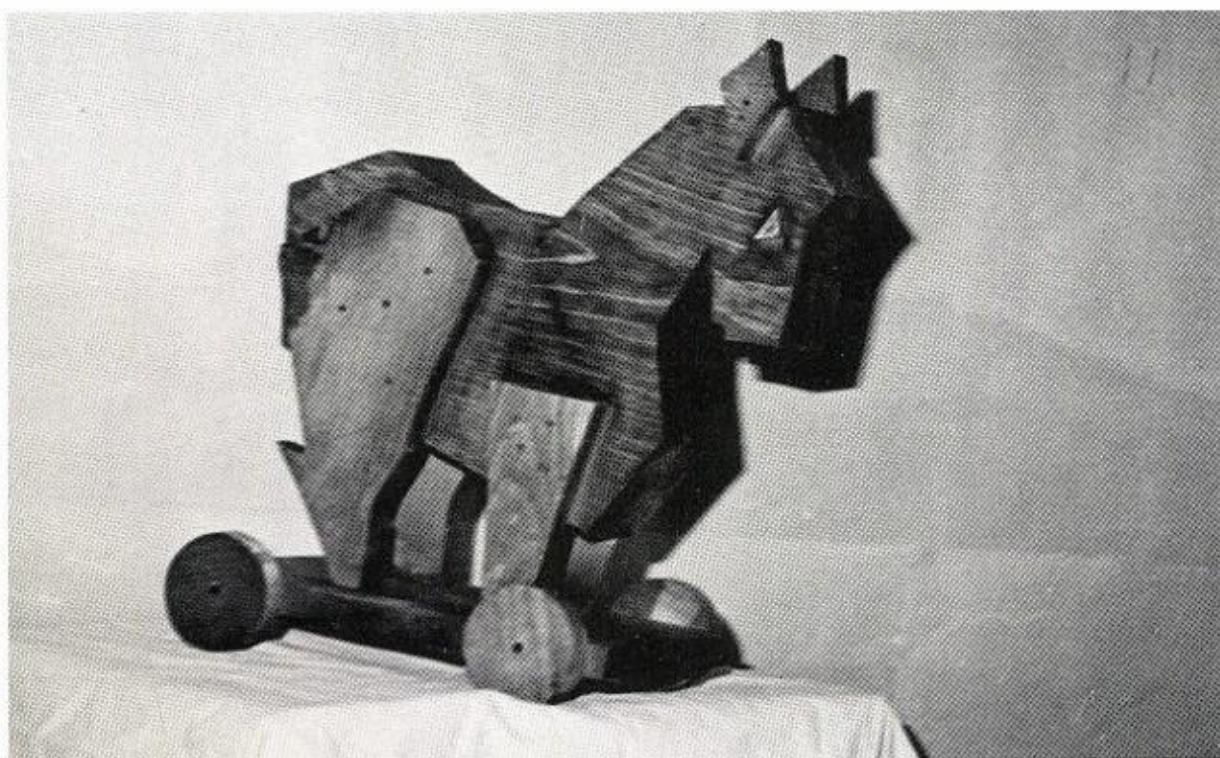

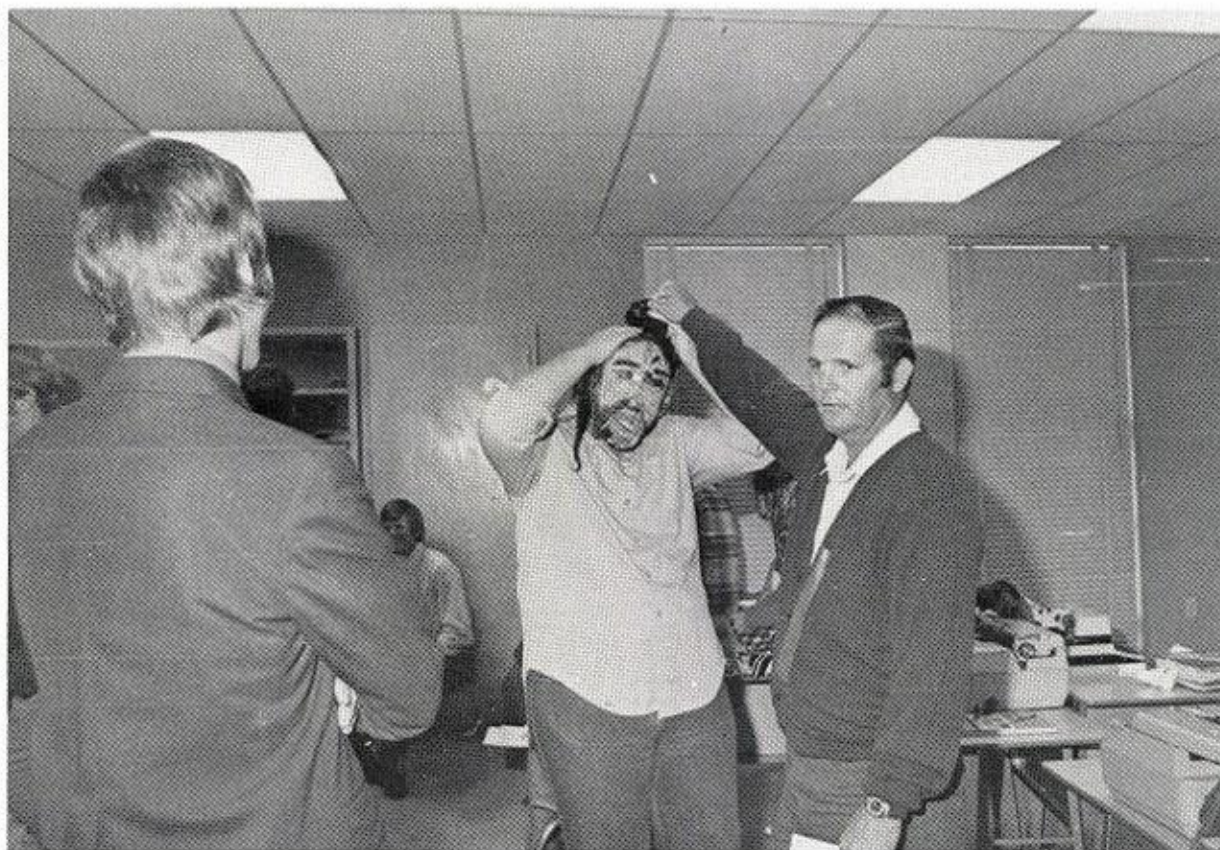

MEMORY

"When time,
which steals
our years
away,
shall steal
our pleasures
too;

The memory
of the past
will stay
and half
our joys

Renew."

Your place
 is your place
 a small place?
 Tend it
 with care:
 he set
 you there.

 Is your place
 a large place?
 Guard it
 with care:
 he set
 you there.

 What'er your
 place, is it
 not yours alone,
 but his
 who set you there.

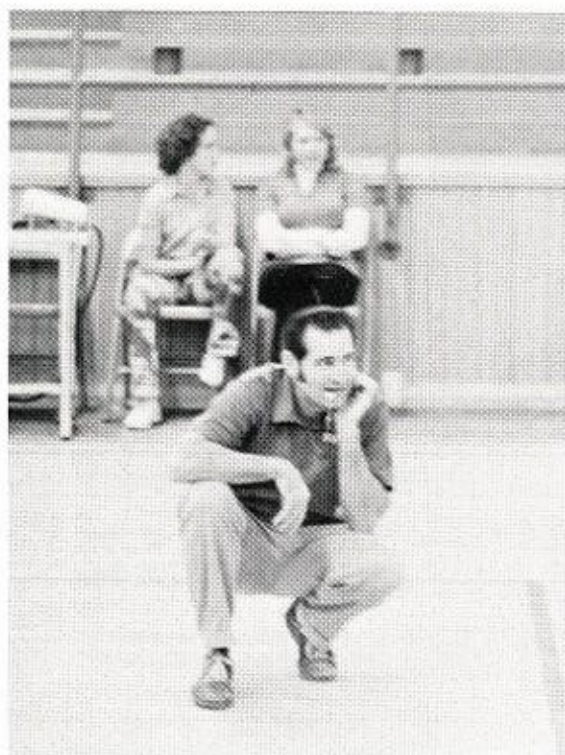

Even as each
one of you
stands alone in
God's Knowledge,
so must each one
of you be alone
in his knowledge
of God and in
his understanding
of the earth.

You are good
when you are
one with
yourself.

You are good
when you strive
to give of
yourself.

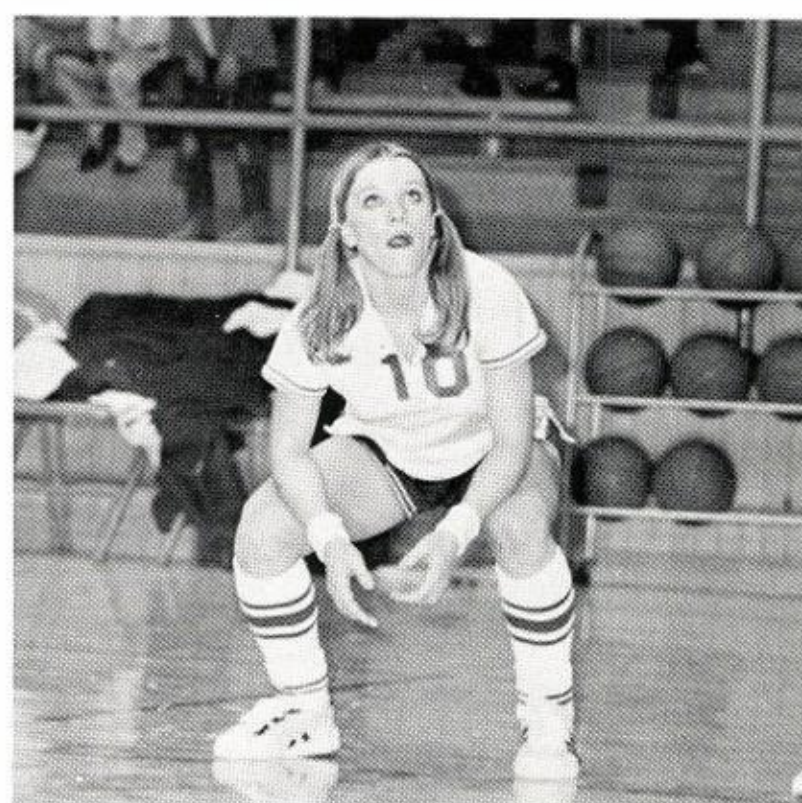

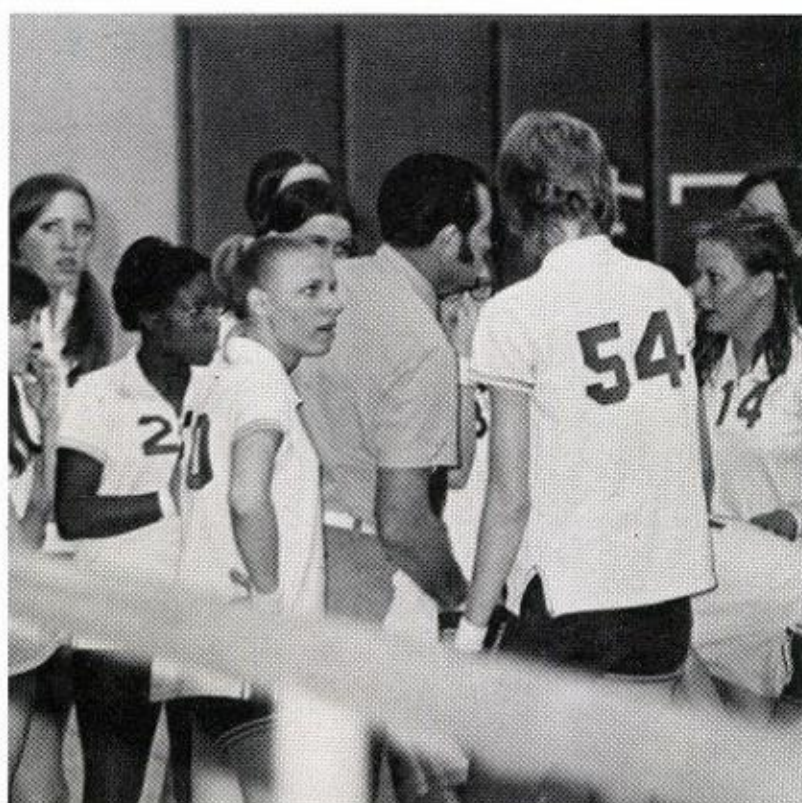

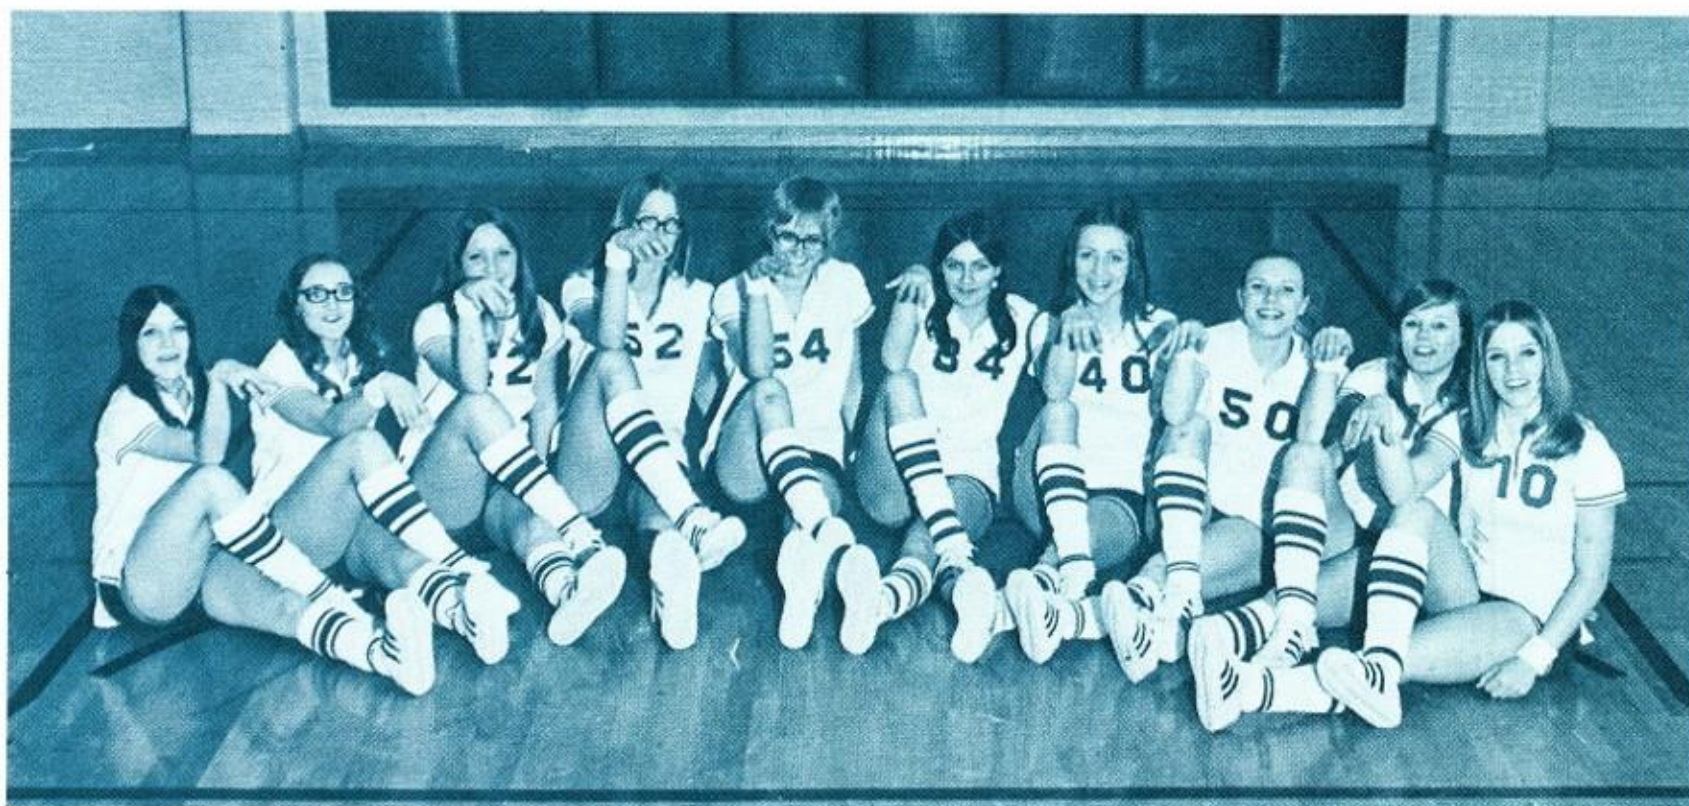

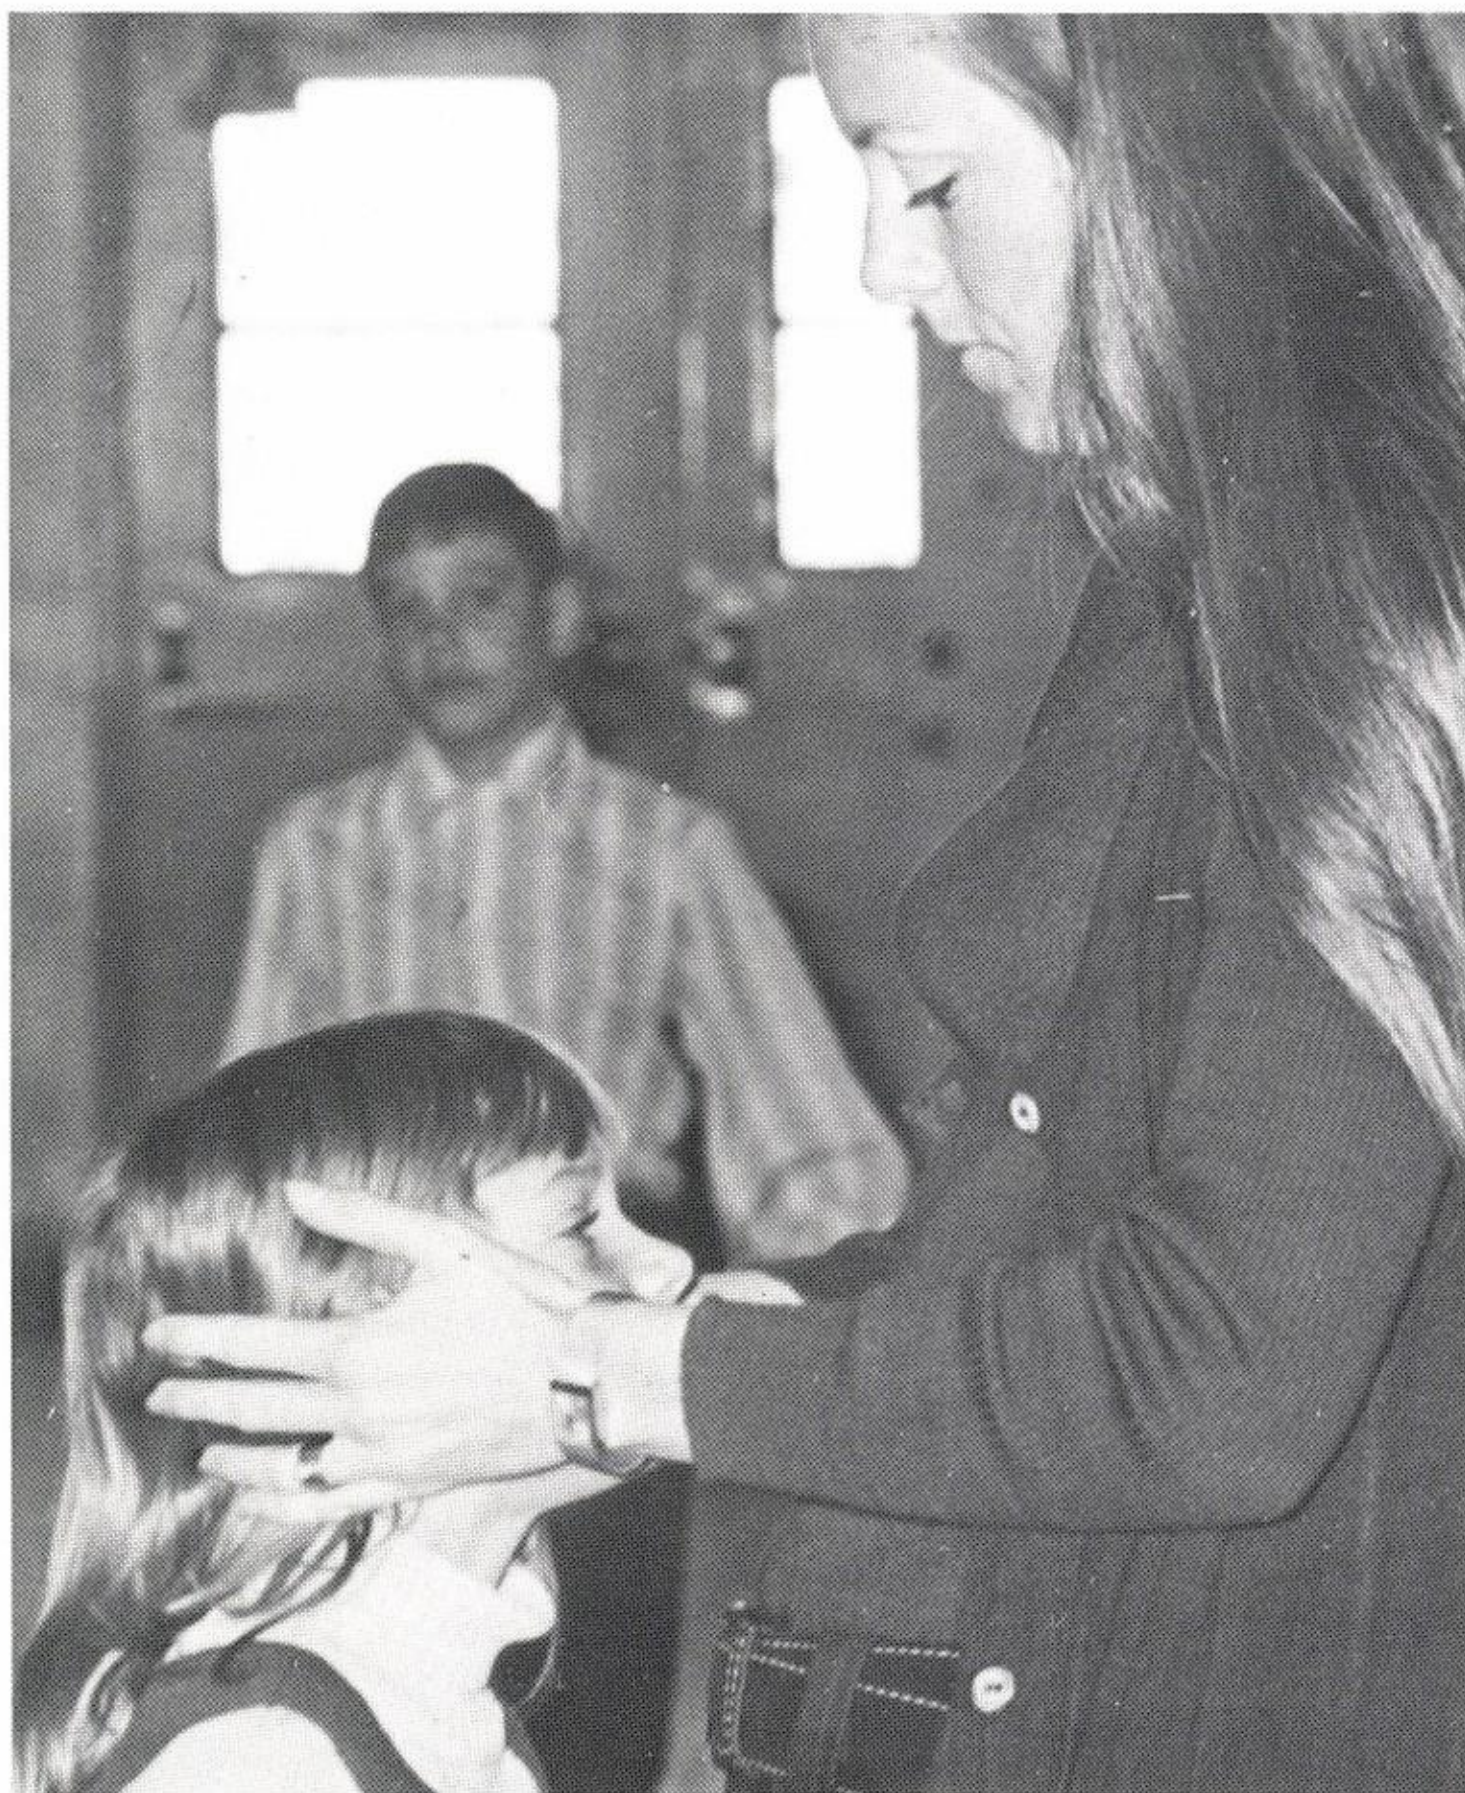

You are good
when you walk
to your goal
firmly and
with bold
steps.

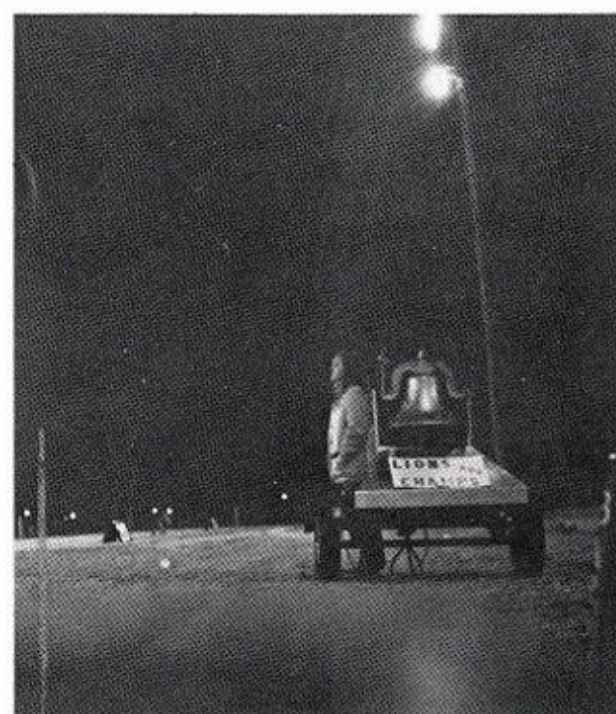

"Nothing
great
was
ever
achieved
without
enthusiasm."
Emerson

HIGH RESOLVE

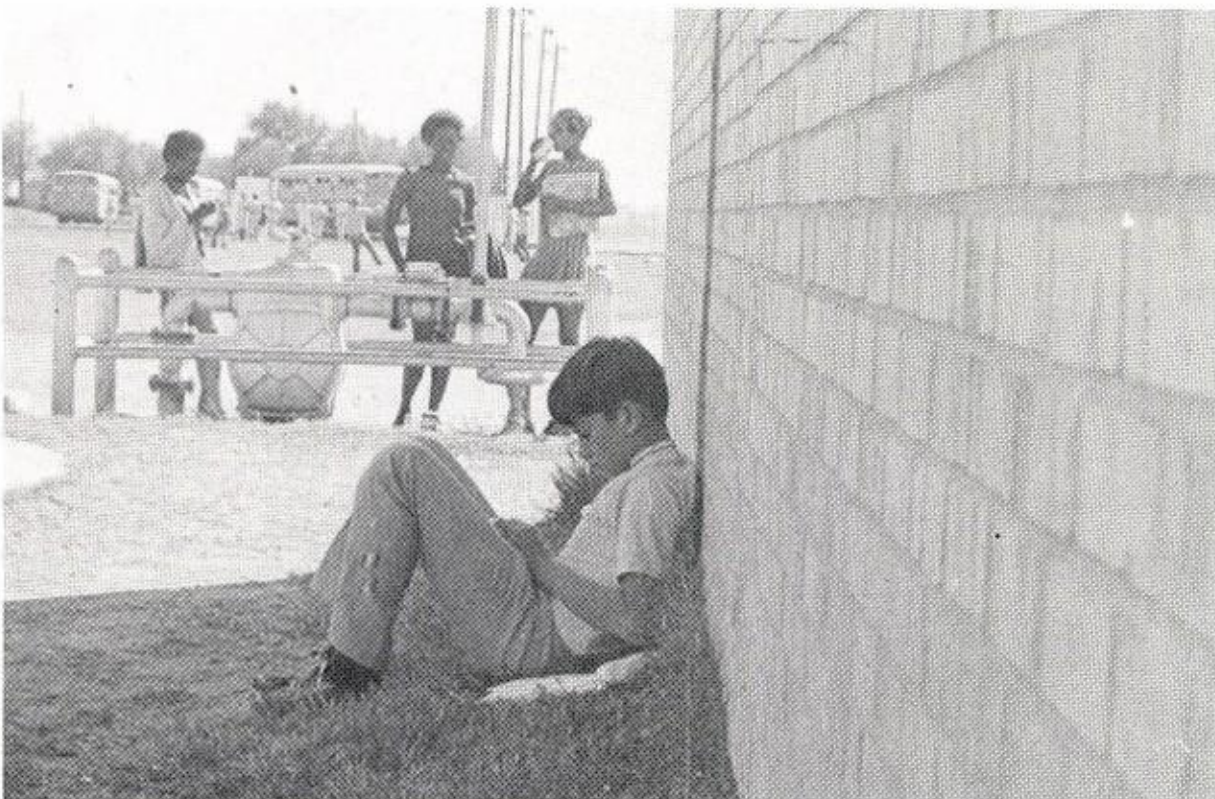

I'll hold my candle high, and then
 Perhaps I'll see the hearts of men
 Above the 'sordidness of life,
 Beyond misunderstanding, strife.
 Though many deeds that others do
 Seem foolish, rash and sinful too,
 Just who am I to criticize
 What I perceive with my dull eyes?
 I'll hold my candle high, and then
 Perhaps I'll see the hearts of men.

MEMORY

When time, which
steals our years away,
Shall steal our
pleasures too;
The memory of the
past will stay
And half our joys
renew.

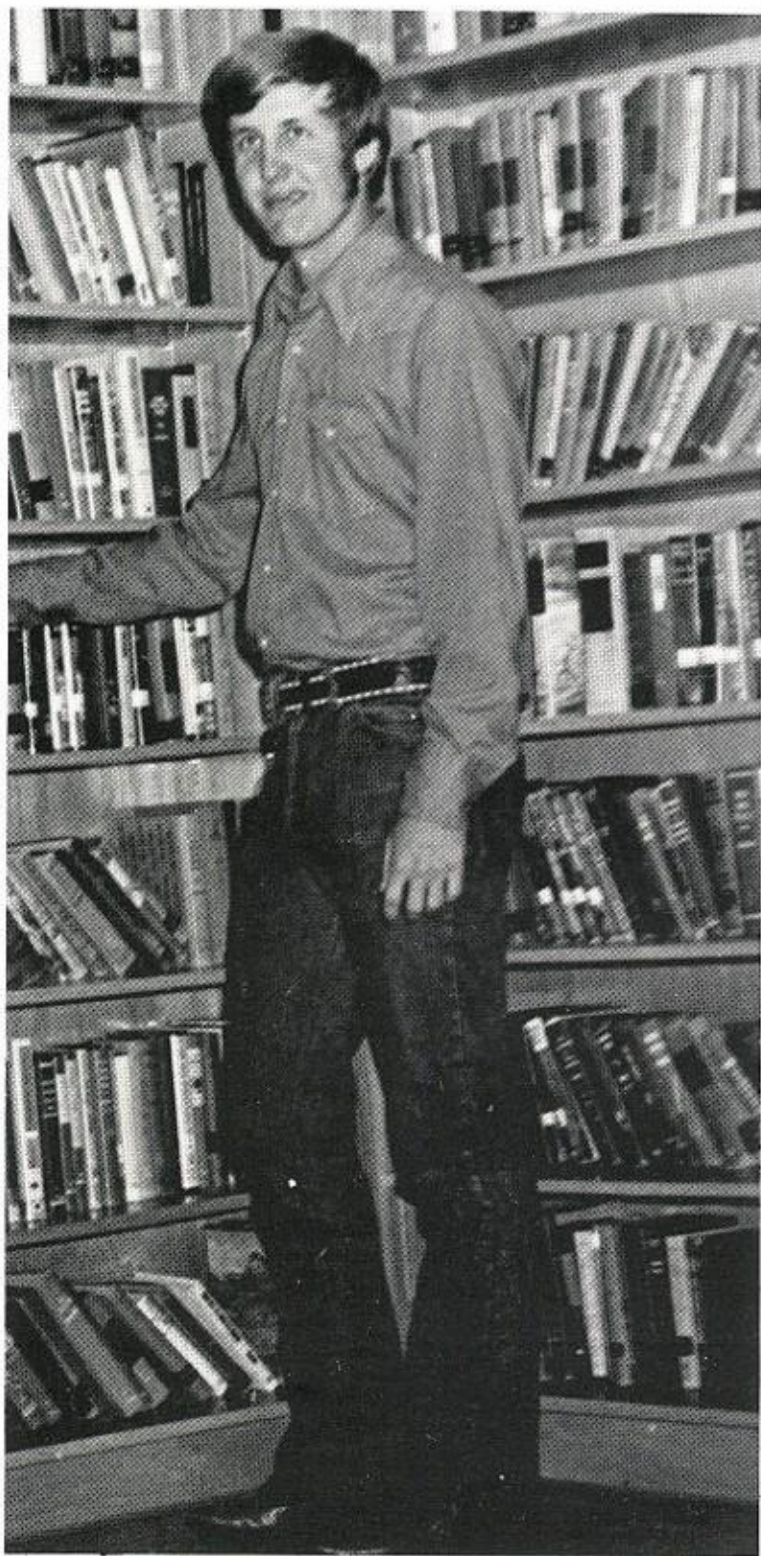

When a fellow pleased you,
 Let him know it;
 It's a simple thing to do -
 Let him know it;
 Can't you give the scheme
 a trial?
 It is sure to bring a smile
 And that makes it worth while -
 Let him know it.
 You are pleased when anyone lets you know it.
 When the man who thinks "Well done!" Lets know it.
 For it gives you added zest - to bring out your very best -
 Just because some mortal blest - Lets you know it.

Administration

Dear Friends:

Congratulations to the graduating seniors, students, and faculty for a most successful school year. Highpoints for the year are recorded in this excellent edition of the 'Roar' for your pleasure and enjoyment in the years to come. May they bring you a sense of gratification as you reflect on this year's achievements.

As a student in New Deal you have gained in knowledge and understanding through the successes and failures that have been yours. You have been challenged in both the academic and athletic areas. Your achievements have helped you to gain maturity and better enable you to face the challenges ahead. Your happiness and success in the future will be determined by how you face those challenges of tomorrow. Urge you to use that knowledge and understanding tempered with wisdom to gain that success and happiness you seek.

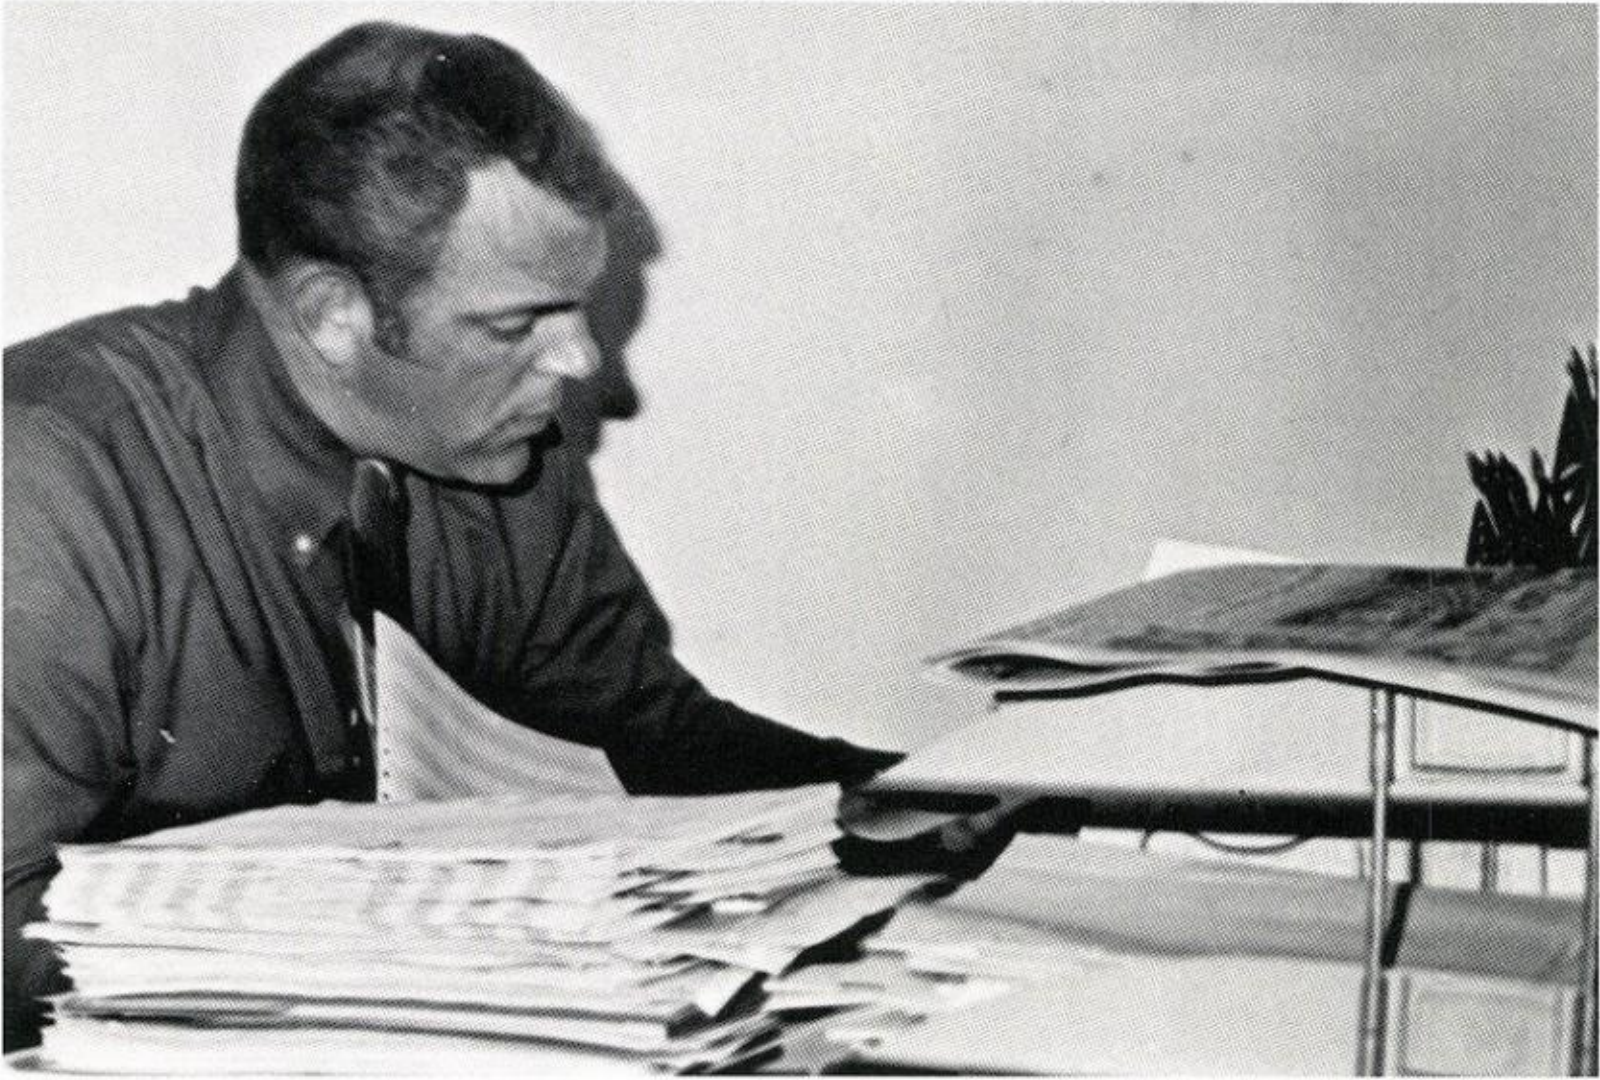

To those parents and faculty members who have furnished you help along the way a special 'thank you'. You have helped mold young men and women who face a bright future. That growth and development you have helped nurture will clearly be visible in future years. You, as well as we here at school, can justly be proud of these young people.

Best wishes in the future.

Sincerely,

Foye L. Flood

P r i n c i p a l

Dear Friends:

As we pause to review the activities of the year now closing and to reflect on the accomplishments of the past year in our 1973 Annual, I feel that I owe each of you a very real debt of gratitude.

As faculty members, you may be sure that your interest in helping to carry out the objectives of our educational program in a comprehensive and effective manner is an important morale factor and is deeply appreciated by everyone.

As students, you may be sure that I wish each of you Godspeed as you travel life's highway to your destiny. May it lead you down the road of success and happiness. You are going to shape the events and determine the direction of progress in our country in the last quarter of the Twentieth Century, and I am thankful to have played a small part in your destiny.

As we look ahead, may the future bring us all continued health, happiness, success, and a fuller share of those things which make this world a better place in which to live.

Your friend,

W. T. Garland

Dear Students:

Again we find ourselves at the end of another school year. Many of you are now reviewing your past year's work in terms of its successes and failures. "Did I do my best?" or "Could I have done better?"

Either success or failure brings about certain experiences that are so vital in your young life. Certainly, successful experiences are more rewarding for you, for your fellow classmates, and for your society. Failures make us think, analyze, and make careful decisions the next time.

Many young students will remember a portion in scouting which states, "I, promise to do my best..." Again, in another book for young people, we find a motto which says, "Be Prepared."

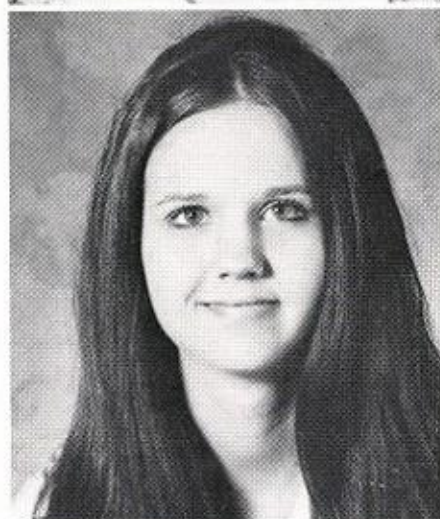

These are well worth remembering from time to time as you progress in your education. Stop and ask yourself if you are doing your best. If you are, regardless of the vocation that you may choose, then you will "Be Prepared."

Sincerely

A.D. Gamblin

Dear Friends:

Congratulations to the graduating seniors, students, and faculty for a most successful school year. Highpoints for the year are recorded in this excellent edition of the 'Roar' for your pleasure and enjoyment in the years to come. May they bring you a sense of gratification as you reflect on this year's achievements.

As a student in New Deal you have gained in knowledge and understanding through the successes and failures that have been yours. You have been challenged in both the academic and athletic areas. Your achievements have helped you to gain maturity and better enable you to face the challenges ahead. Your happiness and success in the future will be determined by how you face those challenges of tomorrow. urge you to use that knowledge and understanding tempered with wisdom to gain that success and happiness you seek.

To those parents and faculty members who have furnished you help along the way a special 'thank you'. You have helped mold young men and women who face a bright future. That growth and development you have helped nurture will clearly be visible in future years. You, as well as we here at school, can justly be proud of these young people.

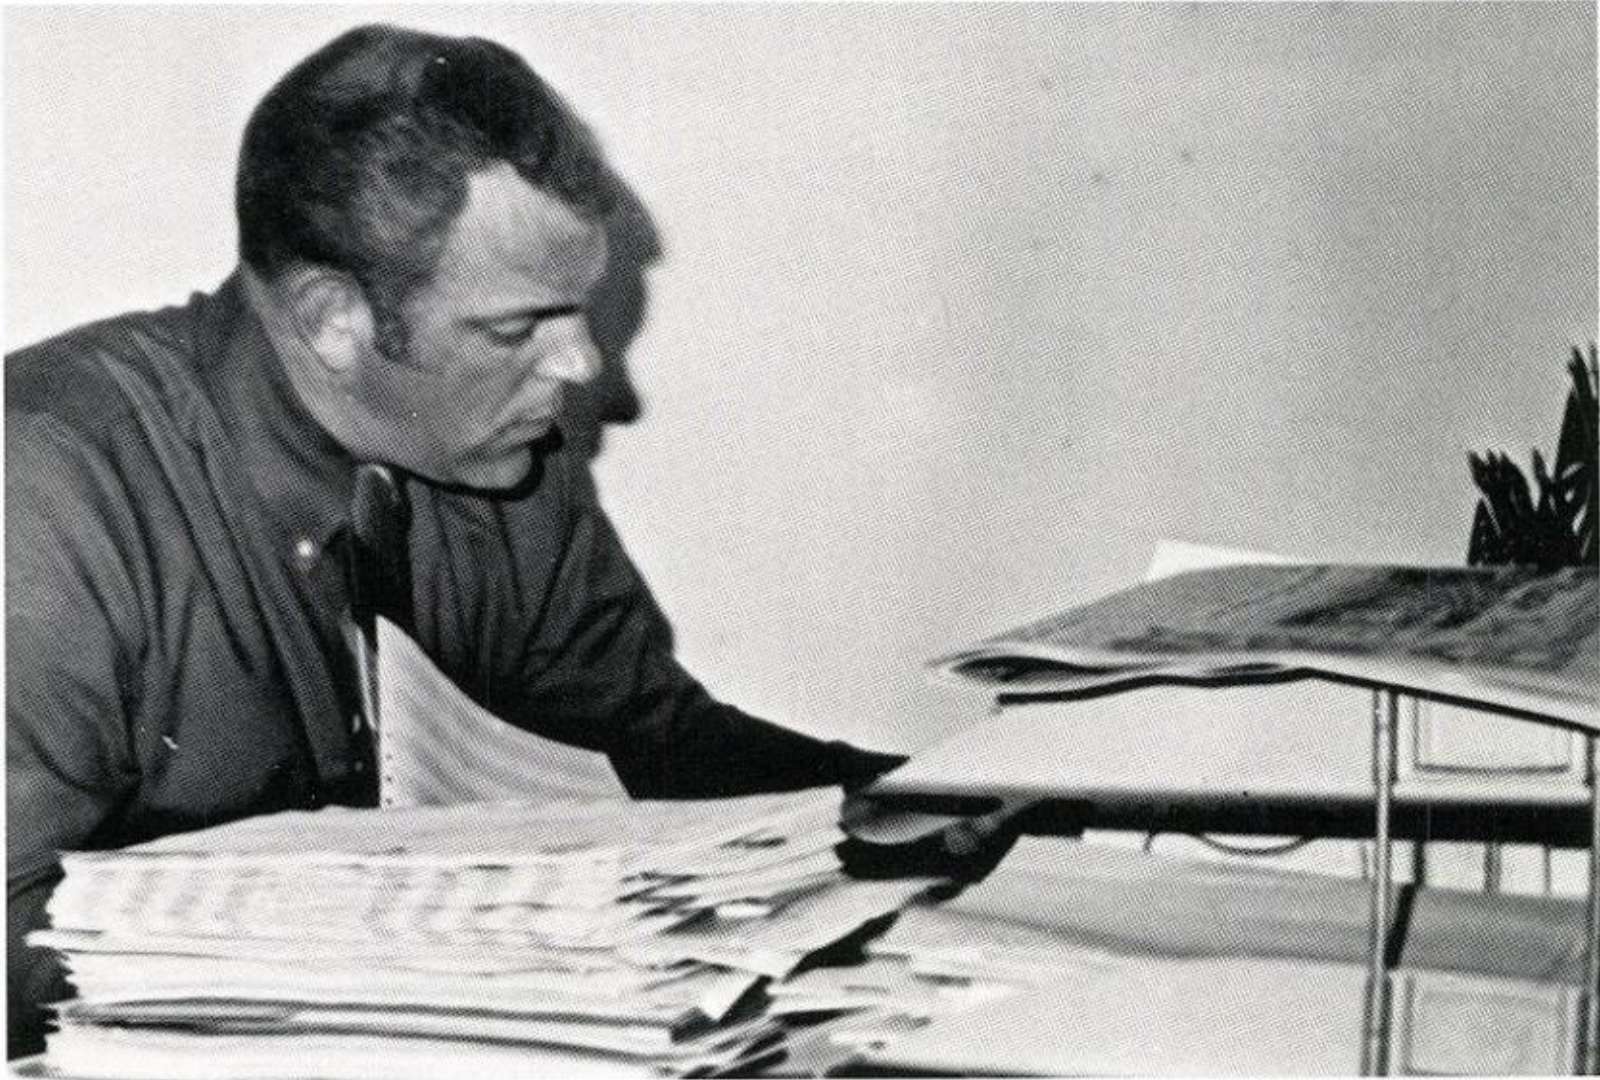

Best wishes in the future.

Sincerely,

Foye L. Flood

P r i n c i p a l

Dear Friends:

As we pause to review the activities of the year now closing and to reflect on the accomplishments of the past year in our 1973 Annual, I feel that I owe each of you a very real debt of gratitude.

As faculty members, you may be sure that your interest in helping to carry out the objectives of our educational program in a comprehensive and effective manner is an important morale factor and is deeply appreciated by everyone.

As students, you may be sure that I wish each of you Godspeed as you travel life's highway to your destiny. May it lead you down the road of success and happiness. You are going to shape the events and determine the direction of progress in our country in the last quarter of the Twentieth Century, and I am thankful to have played a small part in your destiny.

As we look ahead, may the future bring us all continued health, happiness, success, and a fuller share of those things which make this world a better place in which to live.

Your friend,

Dear Students:

Again we find ourselves at the end of another school year. Many of you are now reviewing your past year's work in terms of its successes and failures. "Did I do my best?" or "Could I have done better?"

Either success or failure brings about certain experiences that are so vital in your young life. Certainly, successful experiences are more rewarding for you, for your fellow classmates, and for your society. Failures make us think, analyze, and make careful decisions the next time.

Many young students will remember a portion in scouting which states, "I, promise to do my best..." Again, in another book for young people, we find a motto which says, "Be Prepared."

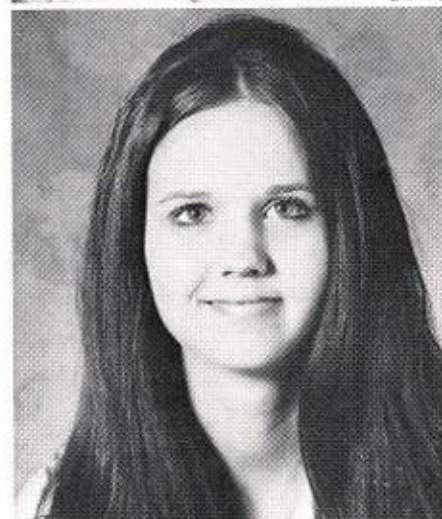

These are well worth remembering from time to time as you progress in your education. Stop and ask yourself if you are doing your best. If you are, regardless of the vocation that you may choose, then you will "Be Prepared."

Sincerely

A.D. Gamblin
